I mean these theses on the militant articulate to a perfection in Spinoza.

II. Lenin's Reply – On What is to be Done against Trotsky's belligerence and trash talking on the idea of a militant and Spinoza, I also mean something like a formalist is better, even if he fails, because that is history and I mean just get that What is to be Done is a Daily Argument.

Lenin here –

I. What do we do?
II. How do we organize?
III. What is militant profession?
IV. Do it.
